## AKC PARTNERS WITH CKC TO RECOGNIZE TITLES ACROSS BORDERS

The Canadian Kennel Club (CKC®) is excited to announce a new collaboration with the American Kennel Club (AKC®) that will allow CKC titles earned in Conformation, Obedience, and Rally to be officially recognized by the AKC. This initiative celebrates the achievements of our members and strengthens the bond between dog sport communities in Canada and the United States.

Through this partnership, dogs that are AKC registered or listed and have earned eligible CKC titles can now have those titles recorded on their AKC records and pedigrees. Titles earned in the past also qualify for recognition, ensuring that the accomplishments of our members are honoured.

Owners can apply through the AKC Title Application Portal (TAP), which provides a convenient way to record CKC titles on AKC records. For more details, visit the AKC Title Recognition Program webpage by clicking below.

## CKC VETERINARY BURSARY

The Canadian Kennel Club is proud to continue to support the five veterinary colleges in Canada in 2025 through our CKC Veterinary Bursary, allowing students to continue their education in the field of veterinary medicine.

We are pleased to announce that Alissa Flight is the 2025 CKC Bursary Award recipient at the Atlantic Veterinary College, University of Prince Edward Island. We are thankful to CKC Member, Andy Wedge, who attended the Atlantic Veterinary College Recognition Night on October 1.

Alissa sent this thank you CKC:

*Dear Members of the Canadian Kennel Club,*

*I am sincerely honoured to be chosen as the recipient of the 2025 Canadian Kennel Club Veterinary Student Award. This recognition means so much to me as I*

*complete my final year at the Atlantic Veterinary College and prepare for a career in small animal general practice with a special interest in theriogenology.*

*Growing up in a small town in Newfoundland, I always knew I wanted to dedicate my life to working with animals. My journey has taken me from completing a Bachelor of Science in Biology with a focus on Comparative Animal Anatomy, to working with Elanco Animal Health producing salmon vaccines, and now into veterinary medicine. Throughout this journey, my constant companion has been my Dandie Dinmont Terrier, Hotshot Hamish. With him, I have learned the joys of conformation showing, canine sports, and the importance of celebrating and preserving purebred dogs. He has been both a partner in my extracurricular endeavors and a teacher in the learning laboratories at AVC, where he helps fellow students gain hands-on experience.*

*Alongside my studies, I have had the privilege of volunteering locally with the PEI Lady Slipper Kennel Club and internationally with the Dandie Dinmont Terrier Club of America as their social media chairperson. These opportunities have deepened my commitment to the CKC's mission and strengthened my appreciation for the purebred dog community.*

*This award provides not only financial support, but also encouragement and inspiration as I continue learning and building lasting connections with classmates, clinicians, and the broader dog community. I am deeply grateful to CKC for investing in students like myself, and I look forward to carrying forward the values of responsible stewardship and excellence in veterinary medicine throughout my career.*

*Thank you again for this incredible honour.*

*With gratitude,*

**Alissa Flight**

## NEW DIGITAL OPTION AVAILABLE FOR PEDIGREES AND TRANSFERS

The Canadian Kennel Club is pleased to expand its available online services within the CKC Member Portal. Members can now choose to receive a PDF version at no charge when applying for the following:

- Transfer of Ownership
- 3-generation and 4-generation pedigrees

This digital option has already been available for Canadian Born Individual Dog Registration and Registration of a Litter Born in Canada and is now offered for these additional services as well.

This update is part of our ongoing efforts to improve the member experience and provide greater flexibility when managing registrations and records. Members who prefer a traditional printed copy can still request one during checkout. A \$5 fee applies only when a printed version is selected, reflecting the cost of printing and mailing.

By offering both digital and printed formats, CKC members can choose the option that best suits their needs, whether that is instant digital access or a physical copy for their records.

We appreciate the feedback from members that helped shape this update and will continue working to enhance our online services.

## A FIRST-TIME WESTMINSTER EXPERIENCE: SANDRA DROUIN AND SMILER

For many exhibitors, qualifying for the Westminster Kennel Club Dog Show is a lifelong dream. For Canadian exhibitor Sandra Drouin, that dream is becoming reality this year, as she heads to New York for her very first Westminster with a dog who means more to her than words can capture.

Smiler isn't just any show dog. He comes from Sandra's very first litter of Salukis, making him the first generation bred under her Feinouk prefix in Quebec. From the very beginning, Sandra sensed the bond she and Smiler would share. "I knew we would have a special relationship," she says. "He loves to be close to me and make me happy." That bond is evident both in and out of the ring.

Finding out they would be attending Westminster was a moment Sandra will never forget. "When I received the email, I was just speechless. I couldn't believe it," she recalls. For a first-time participant, the magnitude of

the moment hasn't been lost.

Like many seasoned show dogs, Smiler has his own pre-ring routine. Before stepping into the ring, he enjoys a good stretching session and, perhaps most importantly, having his bottom scratched, a small ritual that helps him relax and focus before the spotlight is on.

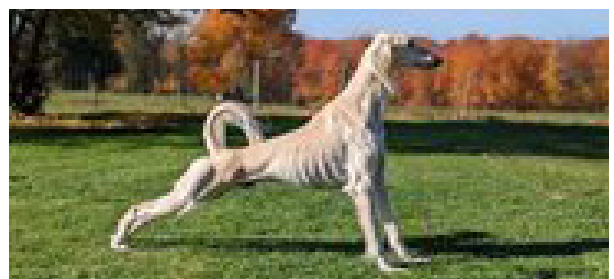

Participating in such a historic and iconic event holds deep meaning for Sandra as a Canadian exhibitor. She takes great pride in presenting a Canadian-bred dog that conforms beautifully to the Saluki breed standard on an international stage.

And while Smiler may appear polished and composed in the ring, he has a playful side that spectators might not notice at first glance. During the final stack, he often turns his head to look directly at the judge, as if to say, "Stop looking away, I'm just here!"

While this will be Sandra's first time competing at Westminster, she is far from alone. This year's event will welcome a strong contingent of Canadian dogs, breeders, owners, and handlers, each proudly representing Canada on one of the sport's most iconic stages.

As Sandra prepares for the journey ahead, one thing is certain. "It will be an amazing experience to be at this show with my special boy," she says.

## CANADIAN KENNEL CLUB MISSION STATEMENT

### Who We Are

The Canadian Kennel Club (CKC) is the primary registry body for purebred dogs in Canada and currently recognizes 187 breeds. As a non-profit organization, the CKC is dedicated to encouraging, guiding, and advancing the interests of purebred dogs and their responsible owners and breeders in Canada and promoting the knowledge and understanding of the benefits which dogs can bring to Canadian society.

The CKC is incorporated under Animal Pedigree Act, a federal statute under the auspices of the Ministry of Agriculture. The organization includes approximately 20,000 individual members and over 700 breed clubs across Canada. The Club registers purebred dogs, regulates dog shows and performance events, and speaks out on major issues concerning dog ownership and the health & welfare of dogs across Canada.
